

NON-RESIDENTIAL PROGRAMS Contractor Production Rewards

To recognize outstanding participation in Dominion Energy Virginia Energy Conservation Programs, Honeywell will provide valuable rewards to participating contractors who achieve specific production goals, while maintaining program standards of quality workmanship and documentation of work performed. Rewards are available by measure type specified below:

Small Business Improvement Enhanced Program

Honeywell will provide valuable monthly rewards to full-status participating contractors who achieve production goals while maintaining program standards.

Rewards will be calculated using monthly performance results from January 1st, 2024, through December 31, 2024, but distributed quarterly.
